

## OUR MISSION AND PURPOSE

Food for Good (FFG) is PepsiCo’s global commitment to **advance food security** through collaboration in communities where we live and work. In the United States, we are focused on providing nutritious meals to children.

We are using PepsiCo’s expertise in taste, nutrition, and distribution – as owners of the country’s largest “food-moving fleet” – to reach underserved families.

## SOLUTIONS FOR EVERYONE

FFG offers a wide range of meal solutions to ensure children have access to nutritious meals no matter where they are or the time of the year. We collaborate with a wide range of partners, including the U.S. Department of Agriculture, Share Our Strength and community-level partners nationwide to address food insecurity.
